Listen to what people have to say...

"I love the location of my apartment. The staff has been great and helpful. Glad I chose St. Andrews as my home."

"I have lived at St. Andrews for 10 years. I'm continually impressed with the upkeep and maintenance of the buildings and our apartments. I love living here! Being by the walking trails is a definite plus, too. I have taken pictures of the deer, rabbits, squirrels and even a family of white owls outside my apartment!"

"St. Andrews is only 10 minutes to downtown Des Moines and less than a mile to the grocery store plus located in a park-like setting with timber and walking trail."
